**Notes:** When you completed the form for the Load Mass Appraisals, you provided a default value for Rating of Record Level.

This value will need to be changed for employees whose Target Rating of Record Level does not match the default value.

To quickly identify and update these records, navigate to the Preview screen and use the **F11/Ctrl F11** query function to identify the records based on their value in the Target Rating of Record column.

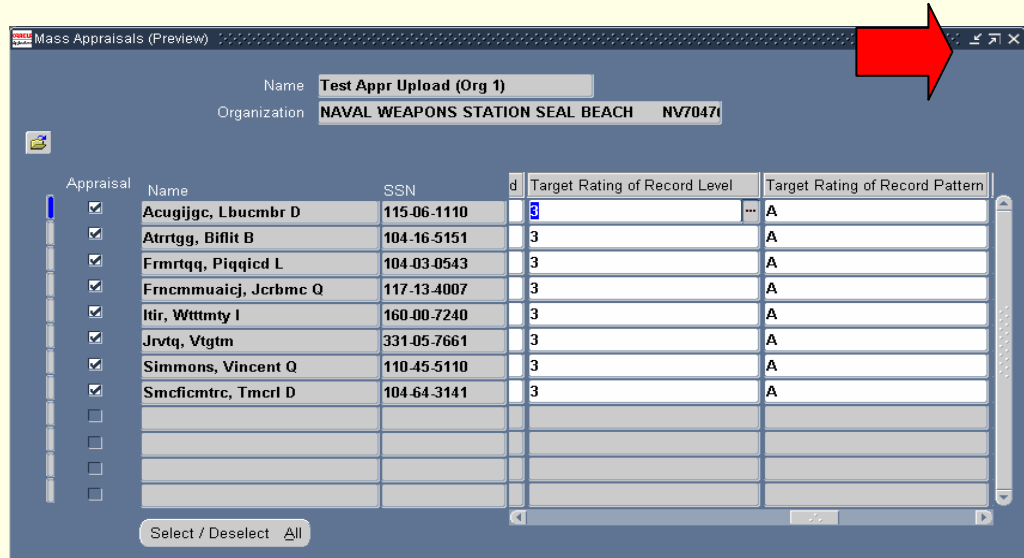

Update the Target Rating of Record Level value on each employee that needs changing.

Save your changes. Once all changes are made, exit this screen.

20

- Change Rating of Record Level and/or Rating of Record Pattern if required. Preview other data fields as well to ensure data was correct in your file; i.e., Date Effective, etc.
- Click Save.
- Close the preview screen by clicking on the "X" in the upper right hand corner of the form.

After the process has completed successfully, examine the employee's records to verify they were updated with the right information.

You will need to look in the specific Demonstration Project Appraisal SIT and in the "US Fed Perf Appraisal" SIT to verify the updates.

The demo appraisal SITs are:

Demonstration Project	Special Information Type
China Lake	Appr – China Lake Demo
DoD Acquisition	Appr – DoD Acquisition Demo
NRL	Appr – Naval Research Lab Demo
SPAWAR	Appr – Space Nav Warfare Demo
Warfare	Appr – Warfare Center Demo
Air Force Lab Demo	Appr – Air Force Lab Demo

In addition to checking the appraisal SITs, For **China Lake** also verify *Bonus Indicator* and *Bonus Reason*, if applicable, was loaded correctly to the Navy Unique Information SIT.

- From the Navigation List – Click on **People** → **Enter and Maintain** → **Extra Information** → **Navy Unique Information**

The screenshot shows a software interface with a window titled "People". Inside, there's a sub-window titled "Extra Person Information(Mraairj, Brmttr V)". Below this, a "Type" dropdown menu is set to "Navy Unique Information". Another sub-window titled "Extra Person Information" is open, displaying a form with the following fields and values:

Field	Value
Bonus Indicator	7
Bonus Reason	0
Increments Held	0
Performance Constraint Ind	3
Pay Plan

Exception to Midpoint Demo	

A red arrow points to the "Exception to Midpoint Demo" field. At the bottom of the form are buttons for "OK", "Cancel", "Clear", and "Help".

For SPAWAR also verify the *Exception to Midpoint Demo* was updated correctly.
